

Dear Friends of the Frisco Garden Club,

On April 22, 1932, the Frisco Garden Club held its first official meeting. The mission of the Club was to promote an interest in gardens, their design, and management, to cooperate in the protection of wild birds, wildflowers, native plants, and encourage civic plantings.

More than 90 years later, the Club is still embracing this mission, demonstrated through community projects. Our civic projects include:

- Arbor Day
- Bicentennial Park
- Heritage Village (Crozier Sickles House and the Smith-Muse House)
- Vivian McCallum Garden
- Boys and Girls Club of Collin County, Frisco

In addition to our civic projects, the Club provides a scholarship(s) to a Frisco student(s) interested in Environmental Science or Horticulture.

On March 30, 2023, we will hold our signature fundraiser, the Wildflower Luncheon, at the Stonebriar Country Club. This event allows us to raise funds needed to continue our work throughout the community. We would like you to help us by becoming a sponsor. Please see the attached document with details on giving and levels of sponsorship.

Thanks in advance for your generosity, and you can learn more about our organization by visiting our website, friscogardenclub.org, or **Frisco Garden Club on Facebook or Instagram**. Donations can be made on our website beginning February 1 or mailed to: **P.O. Box 701, Frisco, TX 75034**.
