

2024 SPRING SCHOLARSHIP INFORMATION AND APPLICATION FRISCO COLLEGE-BOUND GRADUATING SENIORS

The Frisco Garden Club (FGC) is the oldest active civic organization in the City of Frisco. Founded in 1932, FGC partners closely with the Frisco Parks and Recreation Department to sustain beautification projects around the City. FGC also promotes plant, gardening and nature knowledge through monthly meetings and special events such as Arbor Day. A detailed history of the FGC, its mission, and projects can be found at friscogardenclub.org.

FGC has long provided scholarships to Frisco ISD Students through the Frisco Education Foundation. The success of recent fund-raising events has enabled the Frisco Garden Club to expand its scholarship program this year by offering graduating seniors at **private, charter, and home schools** residing within the city limits of Frisco the opportunity to apply for a \$3,000 one-time college scholarship. Once selected, the recipient will be presented with their award during National Garden Week, celebrated June 2-8, 2024.

Qualifications: Must be a graduating senior and a resident of Frisco. Primary consideration given to demonstrated community service and leadership. Additional considerations include:

- Involvement in school academic and sports programs, and the Frisco community, particularly if they are/were FGC members and/or worked on one of the FGC gardens as a volunteer or are related to a current FGC member.
- Demonstrated character and leadership ability.
- Academic record.
- A short essay on the applicant's college plans with their goals and aspirations for the future. Those planning a major in horticulture, botany, landscape design, floriculture, forestry, agronomy, environmental or climate science preferred but not a primary consideration recognizing these are not common majors.

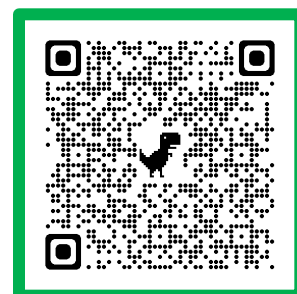

Deadline: Applications due by Friday, April 12. Notification of award to recipient by Friday, April 26.
